

Enable Healthcare Providers to Prevent and not just Monitor Hypertension.

Identify patients that have undiagnosed pre-hypertension and Stage 1 hypertension and are eligible for \$1,387 of Medicaid reimbursement per year (CPT 99453, 99454, 99457)

- 40% of patients with hypertension in long term care facilities are undiagnosed
- Increase value of BP Monitors/Carts for Long Term Care Partners

Introduce a combination product with recurring monthly revenue

Build value added partnerships with EHRs like PointClickCare
